ORDER

The Commission issued its Final Decision on March 22, 2002. This decision included a section captioned "Reciprocal Compensation" in which the Commission made pricing methodology determinations that implemented its decision in *Order Establishing a Method for Pricing Reciprocal Compensation in Interconnection Agreements*, Docket 05-TI-283 (November 8, 2000). Portions of the Docket 05-TI-283 order, however, were subsequently vacated and remanded to the Commission by *Wis. Bell, Inc. v. Ave M. Bie, et al.*, Case No. 00-C-0755-C (U.S. Dt. Ct.). Accordingly, the Commission determines that grounds exist to reopen this proceeding on its own motion pursuant to Wis. Stat. § 196.39(1). Therefore,

IT IS ORDERED that this proceeding be, and is hereby, reopened.

IT IS FURTHER ORDERED that the determinations in the "Reciprocal Compensation" section of the Final Decision in this matter be vacated, effective ten (10) business days from the mailing date of this Order, unless a request for opportunity to be heard is received by the Commission before the close of business on the tenth day. Any such request shall specify the nature of the process, e.g. written comments requested, and the issues to be addressed.

Docket 6720-TI-161

If the reciprocal compensation pricing determinations of the Final Decision are vacated, then the issue of the pricing of reciprocal compensation will be addressed in another proceeding that will include notice and opportunity for hearing. Applicable methodology for determining the pricing of reciprocal compensation will also be addressed by future proceeding.
